What we're Learning

- Letterland Characters and their sound and shape. Also how letterlanders work together to make words.
- We are learning new strategies to help when we are reading.
- In Writing, we are beginning our "how to" unit.
- In Math, we are finishing our unit on 2D and 3D shapes and beginning addition and subtraction within 5.
- Writing numbers 1-20.
- February sight words: that, was, with

A note from the Kindergarten teachers...

Happy February! We have a busy and exciting month ahead. We are celebrating the 100th day of school on Thursday, Feb. 9th. Hard to believe your learner has been in Kindergarten for 100 days ☺ Please see the 100 day flyer for more information. We are also having a "Red Party" on Feb. 14th. We need your help to make this a fun experience for students! Please sign up to bring in a red food item if you are able. Thank you for reviewing and signing the weekly behavior progress report. As always, contact your child's teacher if you have any questions/concerns!

Tips to help your learner at home:

- As many of our students are beginning to read, it is important that they know our learned sight words. **Please continue to practice these words at home:** a, and, at, can, he, is, I, in, like, me, said, she, that, to, the, we, was, with, you. Making flash cards is a great way to learn/memorize words!
- Write/form numbers and letters with chalk, shaving cream, playdoh, markers, etc.
- Look for and identify shapes around your home or when you're out in the community!
