Friday, April 7<sup>th</sup>: 3Q Report Cards go home

April 10<sup>th</sup>- 14<sup>th</sup>: Spring Break

## What we're Learning

- Letterland Characters and their sound and shape. Also how letterlanders work together to make words.
- We are learning new strategies to help when we are reading.
- In Writing, we are beginning the "all about" unit.
- In Math, we are learning addition and subtraction within 5 and number partners.
- Writing numbers 1-20; Rote counting to 70.
- March sight words: Please take this time to review all previously learned words!

## A note from the Kindergarten teachers...

Happy March! We have a busy and exciting month ahead. We have the awesome opportunity to go to the Marbles Museum for free on March 21<sup>st</sup>. We need chaperones!! Please contact your child's teacher if you are able to come. Thank you for reviewing and signing the weekly behavior progress report. As always, contact your child's teacher if you have any questions/concerns!

### Tips to help your learner at home:

- As many of our students are beginning to read, it is important that they know our learned sight words. **Please continue to practice these words at home:** a, and, at, can, he, is, I, in, like, me, said, she, that, to, the, we, was, with, you. Making flash cards is a great way to learn/memorize words!
- Write/form numbers and letters with chalk, shaving cream, playdoh, markers, etc.
- Practice adding objects at home. Use pieces of cereal, trees outside, etc. We are working on number partners and adding within 5.
