What we're Learning

- Classroom routines and procedures.
- Letterland Characters and the sounds they make.
- We are learning procedures for our daily math routines.
- We are focusing on numbers 1-10 and counting objects.
- We are learning how to listen to stories and answer questions about new things we've learned.
- September sight words: I, a, to

A note from the Kindergarten teachers...

Welcome to Kindergarten! We are so excited for the year ahead. We will send a newsletter each month with upcoming dates, information about things we're learning and other important events going on at Powell.

A few things to remember:

1. Kindergarten Homework: Read with your child each night! In each newsletter you will find some ideas of activities to do at home with your little learner.
2. Please review and sign the weekly progress report. This is how we will communicate work habits and conduct in Kindergarten.
3. Please don't hesitate to contact your teacher with additional questions! We are always available to chat 😊
